It is the policy of Clover Garden that every student-athlete maintains a minimum of a “C” average. Grade checks will be given every Friday. If a student-athlete falls below a “C” then they will be on a one-week suspension (Saturday-Thursday) during which time they should be in tutoring. This suspension includes both practices and games. We reserve the right to check on ANY student-athlete’s grade for ANY CLASS at ANY POINT during the practice/game season to ensure continued and consistent eligibility.

## Behavior is a KEY

It is the policy of Clover Garden that every student-athlete maintains a good behavior on and off the playing surface. If a student is suspended at school there are consequences. The first OSS offense is a 30 day suspension from the team. The second OSS offense is a 9 week suspension from the team. Team suspension will start the day of the suspension. It is up to the coaching staff to let the student-athlete know if and when they may return to the team based on their team rules. During the time of the suspension, the student-athlete may not attend practices or games or attend any on campus events.
