

UNC Chapel Hill bringing Christmas to the Children!

The senior class is asking for your help to provide presents for the children at UNC Chapel Hill Children's Hospital. We want to give them the best Christmas that we possibly can with your help! These kids might not get the chance to go home and be with their families for the holidays so we're asking you, the students of Clover Garden School to be a part of this experience with us to make their holiday the best we can!

Your help and donations will not go unnoticed! The class that donates the most items eligible (will be listed below) has the chance to win a party hosted by **Pelican Snowballs!!!!** Every little thing counts. So please bring in and donate anything you are willing and able to!
